PROGRAM'S NEW SECRETARY

Mrs. Joyce Bright has recently joined Beaufort Tech as secretary of the Cooperative Education Program, and it is with pleasure that we welcome her to the Co-op office.

Mrs. Bright, a Beaufort Tech graduate, majored in Secretarial Science and received her A.A.S. Degree August 22, 1975. A native of Beaufort County, she is indeed a well qualified addition to the Co-op Program.

In addition to the customary secretarial activities, Joyce's duties and responsibilities will be extensive in the areas of preparing and updating all Co-op materials and records and in assisting with the Newsletter and other Co-op publications.

Joyce has already shown much willingness to involve herself in the Cooperative Education Program's goals and objectives, and is an asset to the Co-op Program.
