MESSAGE FROM THE PRESIDENT

We have a lot to be thankful for as we approach the holiday season. Beaufort County Community College has enjoyed a successful year in meeting the educational needs of the people of our service area. Giving to others is what the Christmas Season is all about, and we should feel good about giving our students the opportunity to find a better way of life. Thank you for all you have done to make BCCC the success that it is. You make the difference. BCCC will close at 4:00 p.m., December 18. Have a safe holiday.

Merry Christmas and a Happy New Year!
