SPRING FLING '94

"Sports Day" of the annual Spring Fling Week was held on Tuesday, May 3. Students and staff enjoyed basketball, volleyball, horseshoes, and especially--the "dunking booth."

The Engineering Club, LPN class, and Cosmetology Club, provided food. It was delicious! The SGA wants to thank everyone who helped and/or participated in Spring Fling Week this year.

The dunking booth was organized by Gamma Beta Phi as a fund raiser. Special thanks to Clay Smith, Marvin Daugherty, and Carol Jackson for being such great sports. Marvin was the big winner--especially with the nursing students.
