SGA’s Spring Fling Week

The first week in May began SGA’s Spring Fling Week. On Tuesday May 2, despite threatening weather, Sports Day was held. Approximately 200 students, staff, and faculty participated in basketball, volleyball, the Velero Wall, and eating. The weather turned out great. SGA would like to thank the MLT students, 1st and 2nd year Nursing students, Gamma Beta Phi, and their advisors for continued support of this activity.
